DOMINATOR FIREWORKS

FULL LINE GLOBAL SUPPLIER OF
PYROTECHNICS AND EQUIPMENT

CHINA'S RELIABLE SUPPLIER
LET'S GROW TOGETHER!

Dominator Brand Fireworks

exports directly from China to importers all over the world.

If you are not ready for import quantities, then please visit one of our wholesalers or retailers near you. A full list of these companies can be found at the Dealer link on our website at www.dominatorfireworks.com

For customers that are importers, we have three main services.

01 Exclusive Private Label Designs

We are a major private label exporter. We have a focus on producing the highest quality products and packaging, for the biggest and most successful brands across the globe. If you have a brand who's quality and reputation you need to protect, you can count on Dominator to be your exporter in China. Dominator's newest and most exciting products are often available exclusively to its private label customers. If you join us, you will be joining an elite group. Discrete references can be provided to qualified importers.

02 Dominator Brand Consumer Fireworks

If you would prefer to add some diversity to the existing brands that you carry, you will find the Dominator Brand a great addition. Dominator is truly a premium brand at value prices. We work very hard to keep our overhead costs low, in order to pass these savings onto you. However, we never sacrifice quality for lower costs. We have a long term view towards our factories and customers, and aim to make our success over years of cooperation, not over each product. We also offer the service of private label production to our existing importers with a reasonable minimum order.

03 Display Products and Supplies

Dominator can supply a full line of Professional Fireworks, Pro 1.4G, Stage Pyrotechnics, Electric Match, Fiberglass Mortars, Firing Systems, equipment, chemicals, and just about any other variety of product that you might have a need for.

Our business is Headquartered in Liuyang China, which is currently the heart of the global fireworks industry. Our staff consists of fully qualified Technicians, Quality Control, Commercial and Logistics experts. It is our experienced staff that allows us to deliver you innovative high quality products in a timely basis, and at value prices. All of our product is tested by an independent testing laboratory according to your requirements.

Our products are produced in over 100 partner fireworks factories located in Jiangxi, Hunan and Guangxi China. The production is under our strict Supervision and Quality Control. Dominator always stands fully behind the quality of all of its products. Factory tours and live demos are always welcome. Please contact us at mailbox@dominatorfireworks.com or 1-314-374-8802.
